

The image features two light gray cylindrical magnets positioned horizontally, one on the left and one on the right. The word "MAGNETS" is written in a large, white, serif font across the center, overlapping both magnets. Four white lightning bolts are arranged around the magnets: one in the top-left, one in the top-right, one in the bottom-left, and one in the bottom-right. The entire scene is set against a solid black background.
